

Hawnay Troof, On deaf ears we ride tonight

Wonder how you've been?
Do all of my pictures still
Hang above your bed?
Remember when,
Under the overhead
You smoked your brand
And I stayed quiet
As the ashes burnt my hand?
Take this
For what it's worth;
Every part of you
Is part of me -
It parted us.
On deaf ears
We'll ride tonight,
Past the corner store
And through the red lights.
And when it's time
To say goodbye
Will you tell me sweetheart,
When I lose my mind?
Take this
For what it's worth;
Every part of you
Is part of me -
It parted us.
Guess I lost the battle for
Gracious green eyes have
Turned blood red
And they're staring me dead.
Guess I lost the battle for
Gracious green eyes have
Turned blood red
And they're staring me dead.
Me dead.
I followed you
Across the beach,
You let the water
Touch your feet
And this is how
It's supposed to be -
The two of us
Die at sea.
Take this
For what it's worth;
Every part of you
Is part of me -
It parted us.
Guess I lost the battle for
Gracious green eyes have
Turned blood red
And they're staring me dead.
