Hawthorne Heights, Come Back Home

Come back home, you're all alone
Everyone is waiting for
The words to say, to m I know, I know
I'm too slow to catch you here
I know that she knows
She

Come back home pick up the phone
Or just call my name out loud
So I can hear I'm cold and tired
Let's start a fire
And then we'll fall asleep
You and me j I know I know
I'm too slow to catch you here
I know that she knows
She's
