

Hay & Stone, Spanish Castle Magic

It's very far away, it takes about a half a day to get there if we
travel by my dragonfly

No, it's not in Spain but all the same it makes a good name and
wind's just right

Come on! Hang on my darling, hang on if you wanna go

Just a little bit of Spanish castle magic

The clouds are really low, and they overflow with cotton candy and
battlegrounds, red and brown

But it's all in your mind, don't you think your time on bad things
now, just float your little mind

Come on! Hang on my darling, hang on if you wanna go

Got a little bit of Spanish castle magic

Well, behind they eye of mind, you'll find sound paints a picture of
the purest white

To clash the castle walls, put your mind games down, just let it all
float

Come on! Hang on my darling, hang on if you wanna go

Just a little bit of Spanish castle magic
