

HaYehudim, Oh Lord

Oh lord
Let me go
'Cause my innocence
Sometimes makes me mad
God I'm so afraid
Why can't you understand it?

Lord
You got to let it be
You got to let it roll
Just don't expect something
Now what do you mean
I'm letting you go
'Cause I don't believe in anybody
Anymore
It's everybody's war

Oh lord
Let me fall
'Cause I can not stand
Knowing I'll be dead
Makes me feel so scared
Why can't you understand it?

Lord...
