

# Hayley Williams , Why We Ever

open your mouth  
say something warm  
i've spent a while  
of the strangers side of your door

how do you sound  
what do you look like now?  
I try to replicate our movements in my mind

and now i  
can't seem to remember why  
we ever  
felt we had to say goodbye  
I can't seem to remember why  
can't seem to remember why?
