

# Haylie Duff, A Whatever Life (Stuck In The Suburbs)

Verse 1:

Did I hear you say, whatever?  
Turn and walk away, forever.  
Was it my mistake?  
Or did we just get too close?

Bridge:

Well until we meet again I think you better learn to.....

Chorus:

Live, for the sake of livin'.  
Love, until your heart is breakin'  
Give your all and don't hold back, tell the truth and don't forget to  
Laugh until your body's achin'.  
Cry, till' your hands are shakin'.  
Wherever you go,  
Whatever you do,  
Don't live a whatever life.

Verse 2:

I bet you think it's cool, to never...  
Care about the things that matter....  
Was it just a dream?  
Or did we feel something real?

Bridge:

You'll be all alone until you finally start to.....

Chorus:

Live, for the sake of livin'.  
Love, until your heart is breakin'  
Give your all and don't hold back, tell the truth and don't forget to  
Laugh until your body's achin'.  
Cry, till' your hands are shakin'.  
Wherever you go,  
Whatever you do,  
Don't live a whatever life.

I'm all done waitin'.....

I'm movin' on...

I'm ready to be to strong..... Yeah.....

Chorus:

Live, for the sake of livin'.  
Love, until your heart is breakin'  
Give your all and don't hold back, tell the truth and don't forget to  
Laugh until your body's achin'.  
Cry, till' your hands are shakin'.  
Wherever you go,  
Whatever you do,  
Don't live a whatever life.

Live, for the sake of livin'.

Love, until your heart is breakin' (a whatever life)

Laugh until your body's achin'.

Cry, till' your hands are shakin'. ( a whatever life)

Live, for the sake of livin'.

Love, until your heart is breakin' (a whatever life)

Laugh until your body's achin'.

Cry, till' your hands are shakin'.

Whatever you do.....don't live a whatever life.
