

Haylie Duff, Our Lips Are Sealed

Can you hear them
They talk about us
Telling lies, well that's no surprise
Can you see them
See right through them
They have no shield, no secrets to reveal
It doesn't matter what they say
In the jealous games people play
Our lips are sealed

It's a weapon
Which we must use
In our defense, silence
Spreading rumors, so far from true
Dragged up from the underworld
Just like some precious pearl
It doesn't matter what they say
In the jealous games people play
Our lips are sealed

Pay no mind to what they say
It doesn't matter anyway
Our lips are sealed

Hush my darling
Don't you cry
Quiet angel
Forget their lies

Can you hear them
They talk about us
Telling lies, well that's no surprise
Can you see them
See right through them
They have no shield, no secrets to reveal
It doesn't matter what they say
In the jealous games people play
Our lips are sealed

Pay no mind to what they say
It doesn't matter anyway
Our lips are sealed
Our lips are sealed
Our lips are sealed
