

# Hazel O'Connor, Beyond The Breaking Glass

Hazel O'Connor - Cormac De Barra

In the alone of my night,  
When the angels have all taken flight,  
Monsters come out fighting  
No need to Fight if I can talk,  
No need to run,  
If all I need to do,  
is walk on the path enlightening.

An` I will go where life leads me,  
`Though the road be far, and wide  
Through the broken dreams of yesterday,  
With time on my side,  
And with faith as my guide,

I will,  
Walk on to, though I,  
Don`t know where I am going to,  
To find my way back home at last.  
Yeah I`m gonna walk on, walk on,  
When I`m crumbled and cracked,  
Walk on, Walk on,  
Won`t be lookin` back, in anger,  
Walk on beyond the broken glass.

And in the mornin` of my day,  
I send the monsters on their merry way,  
I celebrate their leavin`  
An` of the lost, and of the gain,  
An` of the joy, and of the pain,  
And I tell Ya, yeah i`m still a believer.

An` I will go where life leads me,  
`Though the road be far, an wide  
Through the broken dreams of yesterday,  
With time on my side,  
And with faith as my guide,

I will,  
Walk on to, though i,  
Don`t know where I am going to,  
To find my way back home at last.  
Yeah I`m gonna, walk on, walk on,  
When I`m crumbled and cracked,  
Walk on, Walk on,  
Won`t be lookin` back in anger,  
Walk on beyond the broken glass.

Walk on, walk on, walk on, walk on,  
walk on, walk on beyond the broken glass,  
Yeah I`m gonna walk on,walk on,  
Walk on, walk on,  
Walk on, walk on beyond the broken glass

You walk on, walk on,  
Walk on, walk on,  
When you`re crumbled and cracked,  
Walk on, walk on,  
Don`t be lookin` back,  
In anger,  
You walk on beyond the broken glass.

You walk on, walk on,

Walk on, walk on,  
If you can feel it,  
Walk on, walk on  
Then you can heal it  
Walk on, Walk on.....
