

# Hazel O'Connor, Thinkin' About You

Hazel O'Connor - Cormac De Barra

I think about you,  
When I could be scrubbin' floors,  
or plottin' a bank robbery,  
Do you think of me?

and sometimes,  
When I'm feelin' like a lost child,  
I imagine you are holdin' me,  
Your breath on me.  
Ten thousand miles from home,  
Ten thousand from you.  
Yeah Venice beach is fine,  
but I'd rather spent time with you

and I, I'm walkin' in sunshine,  
I'm talkin' with you in my mind,  
Wish you were here, with me  
And we'd be walkin' in sunshine,  
We'd be talkin' bout life and times,  
We'd be walkin' in rhythm and rhyme,  
and the sky is clear and blue,  
And I'm thinkin' bout you.

And I trust what's mine,  
Will come to me in time,  
And I will be ready,  
I'll be steady,  
I'll be go go go,  
And this I know,  
There ain't no way to push the river  
faster than it's meant to go, no no  
Ten thousand miles I've gone,  
Ten thousand to L.A  
and if I wrote to you  
here are the things I'd say

That I'm,  
I'm walkin' in sunshine,  
I'm talkin' with you in my mind,  
Wish you were here, with me  
And we'd be walkin' in sunshine,  
We'd be talkin' bout life and times,  
We'd be walkin' in rhythm and rhyme,  
and the sky is clear and blue,  
Yeah I'm thinkin' bout you.

Then stay in touch,  
Stay in touch.....  
(repeat)

And I,  
I'm walkin' in sunshine,  
I'm talkin' with you in my mind,  
Wish you were here, with me  
And we'd be walkin' in sunshine,  
We'd be talkin' bout life and times,  
We'd be walkin' in rhythm and rhyme,  
and I,

I been walkin' in sunshine,  
I been talkin' with you in my mind,  
I wish that you were here,

and we  
We'd be walkin' in sunshine,  
We'd be talkin' bout life and times,  
We'd be talkin' in rhythm and rhyme,  
and the sky is clear and blue,  
and I'm thinkin' bout you.  
and I'm feelin' blue...  
Thinkin' bout you...
