I love, I love, I love, I love you it's true  
Cause Baby, Baby you're my Baby Ruth yeah  
Such a sweet sweet tooth  
You're creamy smooth, chewy, chewy tonight  
Baby, Baby you're wrapped up so tight oh  
You're a toothache don't you know  
Yeah yeah yeah yeah

I don't want you to melt  
I just don't want you to melt in my hand  
Take a stand, now baby  
I don't want you to melt  
I just don't want you to melt in my hand  
Take a stand (now baby)

Ca ca cotton candy it's sugar sweet  
Ba ba Baby you're bittersweet yeah  
Such a sweet sweet taste, my Baby Ruth  
Bittersweet tooth, my Baby Ruth  
What's the use, yea yea yeah

Repeat chorus twice

My Baby Ruth (Baby Ruth)  
Bittersweet baby (Baby Ruth)  
My Baby Ruth (Baby Ruth)
