

# Head East, Lonelier Now

Once upon a time  
A young man got up to play  
So many things  
The young man wanted to say

It used to be so special  
I used to be so proud  
I used to be so lonely  
I'm so much lonelier now

Once upon a time  
A young man got up to play  
So many things  
The young man wanted to say

He didn't care who listened  
And what he had to pay  
Somehow he made the wrong move  
And made it go away

Chorus

It's the same old story  
A young man on the run  
He maybe sorry  
But the damage has been done  
Makin' the same mistakes too many times  
He thought it would be ok  
Looking inside only to find  
The spirit had gone away

Chorus

I'm lonelier now  
I'm lonelier now  
I'm lonelier now  
I'm lonelier now
