

# Head East, Since You Been Gone

I get the same old dream same time every night  
Fall to the ground then I wake up  
So I get out of bed, put on my shoes and in my head  
Thoughts are back to the break-up  
These four walls are closing in  
Think of the fix you put me in

Since you been gone, since you been gone  
I'm out of my head, can't take it  
Could I be wrong but since you been gone  
You've cast a spell, so break it  
Doo doo doo, doodoo doo doo, doodoo doo doo, can't take it

And in the night I stand beneath the back street lights  
I read the words that you sent to me  
I could take the afternoon but night time comes around too soon  
You can't know what you mean to me  
Your poison letter, your telegram  
They go to show you don't give a damn

Chorus

(ahh ahh ahh ahh ahh ahh....)  
And if you need me back  
Baby I'm here whenever you want  
Doo doo doo

Since you been gone, since you been gone  
I'm out of my head, can't take it  
Could I be wrong but since you been gone  
You've cast a spell, so break it  
Doo doo doo, doodoo doo doo, doodoo doo doo, doodoo doo doo  
Ever since you been gone

Since you been gone  
Since you been gone  
Doodoo doo doo, doo doo doo  
Ever since you been gone
