

Head East, Susan

You hit me just like a cool breeze
Many have said what you say
But you said it to me with such ease

I'm not sayin' I don't believe you, no
I'm just sayin' I don't know you, Susan
Susan, we'll have time to learn about each other
Susan, take your time so you know that you don't want another, no

You came along when I needed a fast friend
I don't want it movin' too fast
Cause I don't want to push it to the end

I'm not sayin' that I don't believe in you, no
I'm just sayin' I don't know you, Susan
Susan, we'll have time to learn about each other
Susan, take your time so you know that you don't want another

I've got plenty of lovin' deep down inside me for you
Make sure Susan so that we'll never say, we're sorry, no

(Susan, Susan, Susan, Susan, Susan, Susan...)
Well come on Susan (Susan)
There just ain't no sense in losin' (Susan)
This time we have have together (Susan) oh, no, oh

Susan, we'll have time to learn about each other
Susan, take your time so you know that you don't want another, oh
I've got plenty of lovin' deep down inside me for you
Make sure Susan so that we'll never say, we're sorry, no
Oh whoa Susan, oh whoa oh Susan
