

# Head East, Trouble

I got trouble every day  
Looks like it won't go away  
Because I know I got my stuff  
If I can hold on long enough  
Yeah, now just a little while longer  
Well everybody looks at me  
They all think I'm trouble free  
But here's some news - you're not alone  
Let's get together and bitch and moan  
Well if you need a helping hand  
I'm always here to understand  
After all is said and done  
We'll get that trouble on the run  
Trouble is something  
That can happen to any old anyone  
Trouble is something  
That you hope doesn't hang around very long  
Yeah, whoa...  
Do do do do do I got trouble  
Do do do do do I got trouble  
Do do do do do I got trouble  
Do do do do do I got trouble  
Do do do do do I got trouble  
It just won't go away  
Do do do do do I got trouble  
It's got me every day  
Do do do do do I got trouble  
Help me, help me, help me  
Do do do do do I got trouble  
Whoa
