

# Headcharger, Dead End

A world of paradox  
To lock all the disturbing people up  
Everything's done to crush you  
To break your personality  
And wear you out  
Humiliation is institutional  
To turn you into a number  
They command  
Redemption through suffering  
But suffering and humiliation  
Make you full of hatred  
And revengeful  
What rehabilitation  
What can you expect  
From someone cut off from society  
Anger, despair, endless wait, rape, violence,  
suicide attempt  
Turns you into a wild beast  
DON'T SAY PUNISHMENT  
SAY REHABILITATION  
MORE THAN A PUNISHMENT  
TOTAL DEAD END
