

Headcharger, Pc Warz

Not a terrorist
Just a business man
Ive dreamt of being rich
For such a long time
Hunting for a strong and rising sector
Lifes a struggle
Ive bet on war
Ill never dirty my hands
My wars are beautiful and PC
Ill never have to pull a trigger
Now that Im rich
I should think of the future
Think big, make long term plans
And try to diversify
Im investing in research
In search of a new virus
Even more nasty and lethal
The release of the cure
Will be worth gold
I just sit back and watch the show
I love those fireworks live on TV
My war business should last a few years more
GOT MY
CASE OF HAND GRENADES
GOT MY
AKs READY TO SHOOT
