

Headcharger, Pyromaniac Fireman

Create stereotypes

Use those stereotypes for your campaign

Create the feeling that no one is safe

POLITICS MAKE YOU PARANOID

KEEP FEAR AMONG PEOPLE ALIVE

Scared people, docile people

Only act like a pyromaniac fireman

WHAT SOLUTIONS CAN WE EXPECT

MORE INTERESTED IN STATISTICS THAN IN PEOPLE

CAN ONLY BRING WRONG SOLUTIONS

TO WRONG PROBLEMS

Use the mass media to spread your disease

A lie widespread turns into an undisputed reality

They only fight against the evils they helped to create

No one here is safe

From your lies
