

# Headhunter, Remission

Welcome to the world of lies, welcome to your death  
You are the chosen one my friend just take a deep breath  
Your eyes will see things beyond your trustful believe  
I wrote those lines as a secret warning and to retrieve  
Can you see the light, it leads you to the endless road of cries  
Remission -- stillborn creature paying off the sins  
Dark visions -- stillborn creature pass the buck and grins  
Remission -- stillborn creature paying off the sins  
Dark visions -- stillborn creature pass the buck and grins  
If you think this pain will last forever I will give you relieve  
Your soul will pay off all your sins -- no need to grief  
Can you see the light, it leads you to the endless road of cries  
Remission -- stillborn creature paying off the sins  
Dark visions -- stillborn creature pass the buck and grins  
Remission -- stillborn creature paying off the sins  
Dark visions -- stillborn creature pass the buck and grins  
Welcome to our world of affluence welcome to our lying  
Take a seat, enjoy to see how this world is fuckin' dying  
Now you'll have your access to all top-notch deniers  
What money can't buy will be razed by uniformed high-flyers  
Remission -- stillborn creature paying off the sins  
Dark visions -- stillborn creature pass the buck and grins  
Remission -- stillborn creature paying off the sins  
Dark visions -- stillborn creature pass the buck and grins
