

# Headless Chickens, Gaskrantinstation

My name is Ivan, my occupation?  
Well I've been working 20 years  
At the gaskrankinstation downtown.  
I love the cars, y'know, without me  
they wouldn't go very far  
I love the smell, I like my work  
But my wife  
Sometimes she makes me feel like such a jerk  
When I can't get it up  
Sometimes I look at her  
And I don't feel anybody there.

I've got a cat called Ed  
And he's a vicious little bugger  
When it comes to being fed.  
I've got a TV set or two  
But we'll have to get a man in  
'Cos one of them blew up.  
Maybe one day I'll take up the piano again  
But, oh, you know, what the hell?  
Most of the time everything is just  
Swell around here.

(more to come...)
