

Headnoise, Heads Like Humans

Have you heard the prophecy in Revelation 1 2 3 4
Forsaking truth the earth will mourn as Christ returns
So it shall be
Isaiah, Joel, Luke and John all prophecied the wrath to come
There's a sea of blood
Mountains fall
God is screaming, "WAKE UP CALL!"
Hide us - From the wrath of the lamb
Kill us - Who can stand
Hide us - From the wrath of the lamb
Kill us - Who can stand
The machine is grinding
Genocide is coming
The horsemen are riding
Death is right behind
