

# Headnoise, No Destruction

We're hard pressed on every side we're perplexed, no destruction,  
persecuted not abandoned struck down, no destruction.  
we're hard pressed on every side we're perplexed, no destruction

(chorus)

Tell me what is temporary, tell me what is eternal

(verse again)

tell me what is temporary, tell me what is eternal,  
what is seen is temporary, what is unseen is eternal

We preach not ourselves, we preach not ourselves,  
but Jesus Christ as Lord and Master of everything.  
Outwardly washing away inside renewed day by day.  
Outwardly washing away inside renewed day by day.

(verse again)

(chorus again)

(THE END thank you very much)
