

# Headspinz ft. Lizzy Pattinson, Just Breathe

Every moment we're apart  
Feels like eternity  
I'm nothing till you're lying next to me  
I can't imagine life without you  
You're the one dream I hold on to  
In your arms is where I long to be  
'Cause I can feel you breathe  
It's washing over me  
Suddenly I'm melting into you  
There's nothing left to prove  
Baby, all we need is just to be  
Caught up in the touch  
The slow and steady rush  
Baby, isn't that the way that love's supposed to be  
Just breathe  
All my thoughts are wrapped in you  
Can't hide it anymore  
And my heart is beating faster than before  
I feel it when I look in your eyes  
See your face in every sun rise  
You're the one that I've been waiting for  
'Cause I can feel you breathe  
It's washing over me  
Suddenly I'm melting into you  
There's nothing left to prove  
Baby, all we need is just to be  
Caught up in the touch  
The slow and steady rush  
Baby, isn't that the way that love's supposed to be  
Just breathe  
Cause I can feel you breathe  
It's washing over me  
Suddenly I'm melting into you  
There's nothing left to prove  
Baby, all we need is just to be  
Caught up in the touch  
The slow and steady rush  
Baby, isn't that the way that love's supposed to be  
Cause I can feel you breathe  
Cause I can feel you breathe  
It's washing over me  
Suddenly I'm melting into you  
There's nothing left to prove  
Baby, all we need is just to be  
Caught up in the touch  
The slow and steady rush  
Baby, isn't that the way that love's supposed to be  
Just breathe
