

Hear'Say, Pure & Simple

You've been saying I'm driving you crazy
And I haven't been around for you lately
But I've had a few things on my mind

When I'm with you I am filled with emotion
Can't you see that I'm giving you devotion
And a love like this is hard to find

Bridge:

I know I've been walking around in a daze (Baby, baby)
You gotta believe me when I say (A, ooh ooh)

Chorus:

Wherever you go (I'm gonna be there)
Whatever you do (You know I'm gonna be there)
It's Pure & Simple (Yeah yeah yeah)
I'll be there for you (Pure & Simple gonna be there)
Whatever it takes (I'm gonna be there)
I swear it's true (You know I'm gonna be there)
It's Pure & Simple (Yeah yeah yeah)
I'll be there for you (Pure & Simple gonna be there)

I'll be here through the stormiest weather
Always trying to make things a bit better
And I know I've gotta try and get through to you

You can love me in a way like no other
But the situations' making you wonder
So you need to tell me now what you wanna do, yeah

Bridge:

I know I've been walking around in a daze (Baby, baby)
You gotta believe me when I say (A, ooh ooh)

Chorus:

Wherever you go (I'm gonna be there)
Whatever you do (You know I'm gonna be there)
It's Pure & Simple (Yeah yeah yeah)
I'll be there for you (Pure & Simple gonna be there)

Whatever it takes (I'm gonna be there)
I swear it's true (You know I'm gonna be there)
It's Pure & Simple (Yeah yeah yeah)
I'll be there for you (Pure & Simple gonna be there)

I'll always be there for you baby
You know that I'll always be around
I'm gonna be there (oh yeah)
You know I'm always gonna be there

I'll always be there for you honey
You know I'll never let you down (A, ooh ooh)
Cos your the only one for me

Yeah Yeah Yeah
