

# Hear'Say, Pure & Simple (New Version)

Written by: T. Hawes / P. Kirtiey/ A, Clarkson

Wherever you go  
Whatever you do  
It's pure and simple  
I'll be there for you

You've been saying that I'm driving you crazy  
And I haven't been around for you lately  
But I've had a few things on my mind  
When I'm with ya I am filled with emotion  
Can't you see that I'm giving you devotion  
And a love like this is hard to find

I know I've bin walking around in a daze (baby, baby)  
You've gotta believe me when I say (oh oh)

Wherever you go (I'll always be there)  
whatever you do (I know I'm gonna be there)  
It's pure and simple (yeh yeh yeh)  
I'll be there for you (pure and simple gonna be there)  
Whatever it takes (I'll always be there)  
I swear it's true (you know I'm gonna be there)  
It's pure and simple (yeh yeh yeh)  
I'll be there for you (pure and simple gonna be there)

I've been there through the stormiest weather  
Always trying to make things a bit better  
And I know I've gotta try and get through to you  
You can love me in a way like no other  
But the situation's taking you under  
So you need to tell me now what you wanna go

I know I've bin walking around in a daze (baby, baby)  
You've gotta believe me when I say (oh oh)

Wherever you go (I'll always be there)  
whatever you do (I know I'm gonna be there)  
It's pure and simple (yeh yeh yeh)  
I'll be there for you (pure and simple gonna be there)  
Whatever it takes (I'll always be there)  
I swear it's true (you know I'm gonna be there)  
It's pure and simple (yeh yeh yeh)  
I'll be there for you (pure and simple gonna be there)

I'll always be there for ya baby  
You know that I'll always be around (I'll always be there, ya know I'll always be there)  
I'll always be there for ya honey  
You know I will never let you down (oh oh)  
'cause you're the only one for me  
Yeh yeh yeh  
Pure and simple

Wherever you go (I'll always be there)  
Whatever you do (I know I'm gonna be there)  
It's pure and simple (yeh yeh yeh)  
I'll be there for you (pure and simple gonna be there)  
Whatever it takes (I'll always be there)  
I swear it's true (you know I'm gonna be there)  
It's pure and simple (yeh yeh yeh)  
I'll be there for you (pure and simple gonna be there)
