Heart, Alone

I hear the ticking of the clock I'm lying here, the room's pitch dark I wonder where you are tonight No answer on the telephone And the night goes by so very slow Oh, I hope that it won't end though Alone

Til now, I always got by on my own I never really cared until I met you And now it chills me to the bone How do I get you alone How do I get you alone

You don't know how long I have wanted To touch your lips and hold you tight Oh, you don't know how long I have waited And I was gonna tell you tonight But the secret is still my own And my love for you is still unknown Alone

Oh

'Til now, I always got by on my own I never really cared until I met you And now it chills me to the bone How do I get you alone How do I get you alone

How do I get you alone How do I get you alone Alone Alone
