

Heart, Back To Avalon

Forgive me I can't stay here anymore
I'm leaving with the tide
This evening another breeze blew round my door
stirred me up inside
I'm breaking out of this tired old spell
I played it out long and so well
Oh whoa

And the pheonix flies straight and high
Back to Avalon
Now I'm on my way back where I belong
Gonna go there with the sun
Back to Avalon

Where I'm going all my demons disappear
I'm leaving them behind
I'm traveling way up on the atmosphere
Cause I made up my mind
Gonna find my love, gonna find my life
Gonne look them so deep in the eye
Oh whoa

And the phoenix flies straight and high
Back to Avalon
Now I'm on my way back where I belong
Gonna go there with the sun
Back to Avalon
Nobody knows what's inside my head
or down this road
Whoa whoa I know I'm going home
And the phoenix flies straight and high
Back to Avalon
Now I'm on my way back where I belong
Gonna go there with the sun
And the phoenix flies straight and high
Back to Avalon
Now I'm on my way back where I belong
Gonna go there with the sun
Back to Avalon
