

# Heart, I Want Your World To Turn

Call it bad timing  
But I call it destiny  
It wouldn't have happened  
If it wasn't meant to be

I felt your heart like a magnet  
Your eyes were touching me  
Touching me, touching me

I want your world to turn  
Just for me  
I want your fire to burn just for me  
Like the moon affects the tide and the sea  
I want your world to turn just for me

I won't share your love  
No I want it all for my own  
When you are in her arms  
It really cuts me down to the bone

I felt your heart like a magnet  
Your eyes were touching me  
Touching me, touching me

I want your world to turn  
Just for me yeah  
I want your fire to burn just for me  
Like the moon affects the tide and the sea  
I want you world to turn just for me

I want your world to turn  
Just for me yeah  
I want your fire to burn just for me  
Like the moon affects the tide and the sea  
I want you world to turn just for me

Just for me  
Just for me
