

Heart, Nothing At All

I would walk home every evening
Through the pyramids of light
I would feed myself on silence
Wash it down with empty nights

Then your innocent distraction
Hit me so hard
My emotional reaction
Caught me off guard

It was nothing at all
Like anything I had felt before
And it was nothing at all
Like I thought no, it's so much more
No one else has ever
Made me feel this way
When I asked you how you did it
You just say
It was nothing at all

Now I walk home every evening
And my feet are quick to move
Cause I know my destination

Is a warm and waiting you

From our first communication
If was clear
Any thought of moderation
Would soon disappear

It was nothing at all
Like anything I had felt before
And it was nothing at all
Like I thought - no, it's so much more
No one else has ever made me feel this way
When I ask you how you did it
You just say
Oh, it was nothing at all....
