

Heart, Sing Child

Sing child sing
Sing child sing
Melody maker
Giver and taker
Heartbreaker
He want to sing I know
Try it again
Sooner or later
He gonna break down and sing

Holy junkie
Funky monkey
Everybody calls him honey
He gonna sing I know
He don't want to play that game
He gotta play that game
Oh, honey, honey, honey,
You got to come down and sing

Dreamer
Machiner
What will you ever do when you blow a fuse
Don't want to stay here
Honey roll
Sooner or later
You've gotta get down and sing
Sing child
