

# Heart, Surrender To Me

Is it that we been together much too long?  
The answer may not be in black & white.

We're always trying to prove whose right or wrong,  
And now we're giving up, without a fight.

But i know when your gone, i'll wish i'd held on.  
So baby surrender to me, (surrender).  
They'll be no holding back now.  
So baby surrender to me, tonight (tonight).

I don't want to love you, it causes so much pain,  
If this is how its gonna be i'll walks away baby.  
No niether one of us should ever say goodbye,  
Lets forget about the past, and whose to blame.

'cause when this is all gone, we'll wish we'd held on.  
So baby surrender to me (surrender).  
They'll be no holding back now.  
So baby surrender to me tonight (tonight).

How could this love be in danger?  
It used to be so good, so right.  
To think they could me us strangers,  
So lonely in your arms tonight.....  
Whoa oh yea, yea...whoa

Whoa whoa now now now.

So baby surrender to me (surrender)  
They'll be no holding back now....nooooo.  
So baby surrender to me tonight (tonight).

Surrender baby, surrender.  
Surrender!
