Hearts Under Fire, Drake's Way

These words go out to you: Your candle stays alight & pour honour burns out bright. These chords go out to you: Through the wind I hear your name & pour footstep that remains. Wish I had given you a hand to hold on to, arms to fall into.

I hope they gave you wings, So you become the angel you deserve to be. & Description among the way from me.

These words go out to you: I wish you realised what you had - it didn't have to be so bad. This song goes out to you: I'll hold your memory, I'll keep your smile with me.

I hope they gave you wings, So you become the angel you deserve to be. & Description and the same of t
