with just a little girl! (Say what!?)

You can make me smile everyday! (Come On)

Cause I wanna make you mine!

*1 repeat

(J) Sweet or spicy whichever, doesn't really matter
We be the super sisters and ya'll just envy
No doubt the one and only best of both worlds
Second to none and ya'll just envy
Take it to the next level
Bury every sin with a shovel and ya'll just envy
We got nuthin' to confess & nuthin' to hide
Take pride in what we do
There ain't nuthin you can do! Come on
