

Heartsdales, Sweet Candy

(R)

I see you checkin' me out! You blow my mind!
Start shakin' my booty on the highway
Like chocolate! Yes you are
Like candy! Yes you are
sugar high
Girls say he's too sweet just like a playa
I say "He's sweet, yup! Taste like candy"

You gave me the power to fight back
The power inside I got to get back!
My style! My show! My way! My dream!
My boy! My joy! My man!
It's candy, candy, candy come on!
You're my candy, candy, candy!

*1 (R)

You are the one for me
You always make me smile

You make me feel alright
You're like a sweet candy
with you

*2 (J)

Who got the vibe?
That got the vibe that gets me filled with
sweetie candy all the time?
Sweetie candy all the time yeah!
Who got the vibe?
That got the vibe that gets me filled with
sweetie candy all the time?
Sweetie candy all the time!
