

Heartsdales, Woman

(J)

diet cause I wanna lose weight

everyday it's the same old

?

frustration

no doubt no doubt about it

(R)can't hide it

what's the dealio?

don't know what to do, so i pray

* Wow wow wow never say never, always believe in yourself
Wow wow wow take it day by day, that's the key step by step
Wow wow wow you're never alone; trust yourself, don't ever give up
you can do it come on, put your mind into it
keep your head up, sky's the limit
