Heat Canned, Let's Work Together (Let's Stick To

Together we'll stand Divided we'll fall

Come on now people

Let's get on the ball

And work together

Come on, come on

Let's work together

(Now now people)

Because together we will stand

Every boy, every girl and man

People, when things go wrong

As they sometimes will

And the road you travel

It stays all uphill

Let's work together

Come on, come on

Let's work together

You know together we will stand

Every boy, girl, woman and man

Oh well now, two or three minutes

Two or three hours

What does it matter now

In this life of ours

Let's work together

Come on, come on

Let's work together

(Now now people)

Because together we will stand

Every boy, every woman and man

Ahhh, come on now...

Ahhh, come on, let's work together...

Well now, make someone happy

Make someone smile

Let's all work together

And make life worthwhile

Let's work together

Come on, come on

Let's work together

(Now now people)

Because together we will stand

Every boy, girl, woman and man

Oh well now, come on you people

Walk hand in hand

Let's make this world of ours

A good place to stand

And work together

Come on, come on

Let's work together

(Now now people)

Because together we will stand

Every boy, girl, woman and man

Well now together we will stand

Every boy, girl, woman and man
