

Heather Headley, I Wish I Wasn't (Grammy Nomi

(First Verse)

I'm home alone again
And you're out, hangin' with your friends
Or so you say
Somehow I know, it's not quite that way
It's getting pretty late, and you haven't checked on me all day
When I called, you didn't answer
Now I'm feelin' like you're ignorin' me

(Bridge)

I wish, I could go back, to the day before we met, and skip my regret

(Chorus)

I wish I wasn't in love with you, so you couldn't hurt me
It just ain't fair, the way you treat me, no you don't deserve me
Wasted my time, thinkin' 'bout you, and you ain't never 'gon change
I wish I wasn't in love with you, so I wouldn't feel this way

(Second Verse)

When you touch me my heart melts
And everything you did wrong I forget
So you play me and take advantage of the love that I feel for you
Why you wanna hurt me so bad
I believed in you thats why I'm so mad
Now I'm drowning in disappointment, and it's hard for me to even look at you
I wish, I could go back, to the day before we met and skip my regret

(Chorus)

I wish I wasn't in love with you, so you couldn't hurt me
It just ain't fair, the way you treat me, no you don't deserve me
Wasted my time, thinkin' 'bout you, and you ain't never 'gon change
I wish I wasn't in love with you, so I wouldn't feel this way

Said you care about me, but from what I see
I ain't feeling that so I disagree
Gave you all my love and understanding
Yet you treated me like your enemy
So leave me alone, don't want nothin from ya
Just go back where you came from
This house is no longer your home
You're not welcome no,no,no,moreeeeeeee, no oh moooooooooooooore

(Chorus)

I wish I wasn't in love with you, so you couldn't hurt me
It just ain't fair, the way you treat me, no you don't deserve me
Wasted my time, thinkin' 'bout you, and you ain't never 'gon change
I wish I wasn't in love with you, so I wouldn't feel this way

(Chorus)

I wish I wasn't in love with you, so you couldn't hurt me
It just ain't fair, the way you treat me, no you don't deserve me
Wasted my time, thinkin' 'bout you, and you ain't never 'gon change
I wish I wasn't in love with you, so I wouldn't feel this way
