

Heather Headley, Love Will Find Away

GIRL:

In a perfect world
one we've never known
we would never need
to face the world alone
They can have their world
or create a home
I may not be brave or strong or smart
But somewhere in my secret heart
I know love will find a way
anywhere I go
I'm home
If you are there beside me
Like dark turning into day
somehow we'll come through
now that I've found you
love will find a way

GUY:

I was so afraid
now I realize
love is never wrong
so it never dies
theres a perfect world
shining in your eyes

BOTH:

And if only they could feel it too
The happiness I feel with you
They know love will find a way
anywhere we go
we're home
If we are there together
Like dark turning into day
somehow we'll come through
now that I've found you
love will find a way

BOTH:

I know love will find a way
Anywhere we go

GIRL:

I'm home

GUY:

I'm home
If we are there together

BOTH:

Like dark turning into day
somehow we'll come through
now that I've found you
love will find a way
I know love will find a way
I know love will find a way
