## Heather Headley, Me Time

[Verse 1:] All things being equal I always put you first You know that I've been down for you Through better and through worse All things being equal Boy I've been more than cool So it seems only natural To expect the same of you Now I'm not trying to start nothing I like things drama free But there won't be nothing to stop If you keep sweatin' me Sometimes a girl just needs her space No different than her man If I don't care that you do you Why can't you deal with this?

## [Chorus:]

I need some me time
Not some you and some I
Just some me time, ohI need some she time
Not some him and some her
Just some free time, ohI wanna run with my girls
Hit the club, hit the mall
Get my nails and hair done
Spend a day at the spa
Boy you ain't gotta worry
There ain't nothin' goin' on
I need some me time
That's all, and that's all

[Verse 2:] All things being equal You're not the only one If I wanted to roll like that I could have anyone I want All things being equal I got a right to choose The only thing you need to know My choice is always you Now I'm not tryin' to flip on you Or make a mess of things But if I put trust in you Then you should do the same I'm not goin' anyplace I'm not goin' anywhere So you gotta' be actin' all scared

## [Chorus:]

I need some me time
Not some you and some I
Just some me time, ohI need some she time
Not some him and some her
Just some free time, ohI wanna' run with my girls
Hit the club, hit the mall
Get my nails and hair done
Spend a day at the spa
Boy you ain't gotta' worry
There ain't nothin' goin' on

I need some me time That's all, and that's all

[Bridge:]

You're the most important thing in the world to me Can't you get it through your head I ain't never gonna leave you, I ain't about to Baby don't you understand how much I love you I'm not deserving of your doubt and lack of trust for me Boy it's disturbing you wouldever think that low of me I've told you everything and anything that's going on That's why I want you to know

[Chorus:]
I need some me time
Not some you and some I
Just some me time, ohI need some she time
Not some him and some her
Just some free time, ohI wanna' run with my girls
Hit the club, hit the mall
Get my nails and hair done
Spend a day at the spa
Boy you ain't gotta worry
There ain't nothin' goin' on
I need some me time
That's all, and that's all
