

Heather Myles, You've Taken Me Places I Wish I'

Gotta keep workin' seven days a week,
I can't eat and I can't sleep.
Feel like a train's ran over me.
I gotta keep my mind occupied,
Been runnin' on overdrive.
Don't know what's got into me.

Well, I was always content being by myself,
Now I don't know what to do.
'Cos every time I turn around,
I'm thinkin' of a rendezvous.
Well, I'm laughin' on the outside, cryin' on the in.
'Cos you've taken me places, I wish I'd never been.

Instrumental break.

Never took a walk on the wild side of life,
I'm makin' up for losin' ground.
You turn my engines on full steam.
Got a taste but I ain't satisfied.
Gonna do what I never tried.
There's a lot of world I haven't seen.

Never missed what I never had,
Now my mind is stuck on you.
Now I find I'm doin' things,
I swore I'd never do.
I'm laughin' on the outside, cryin' on the in.
'Cos you've taken me places, I wish I'd never been.

you've taken me places, I wish I'd never been.
