

Heather Nova, Follow Me In Grace

(Verse 1)

Dive in to a life
Fall in to the green
Out with my breath
Bursting unseen

(Verse 2)

Cradle you rock
Hold me in the deep
We all are lost
Searching and free

(Bridge)

And to the little hearts
Hardly spoken
And to the wild hearts
Always fierce

(Chorus)

Life, I don't know your ways
Life, follow me in grace

(Verse 3)

Crack in my voice
Where did you go?
We've got no choice
Chariots swing low

(Bridge)

(Chorus)

(Denouement)

Life, I don't know your ways
I will make mistakes
So follow me in grace
So follow me in grace
So follow me in grace
