

# Heather Nova, Follow Me In Grace

(Verse 1)

Dive in to a life  
Fall in to the green  
Out with my breath  
Bursting unseen

(Verse 2)

Cradle you rock  
Hold me in the deep  
We all are lost  
Searching and free

(Bridge)

And to the little hearts  
Hardly spoken  
And to the wild hearts  
Always fierce

(Chorus)

Life, I don't know your ways  
Life, follow me in grace

(Verse 3)

Crack in my voice  
Where did you go?  
We've got no choice  
Chariots swing low

(Bridge)

(Chorus)

(Denouement)

Life, I don't know your ways  
I will make mistakes  
So follow me in grace  
So follow me in grace  
So follow me in grace
