

# Heather Nova, Let's Not Talk About Love

Thanks to Bajo Philip for submitting the lyrics

I don't know if I love you  
Or if it's all in my head  
I don't know if I love you  
Though I know it's what I said  
Oh, oh  
I don't know

This love is something I don't understand  
Can't explain it, can't hold in my hand  
But I'll stay here tonight  
And I'll keep the flame alight  
Let's not talk about love

I don't know if I love you  
Though I feel some pain  
I don't know if I love you  
Or if I'm playing the game  
Oh, oh  
I don't know

This love is something I don't understand  
Can't explain it, can't hold in my hand  
But I'll stay here tonight  
And I'll make you feel alright  
But let's not talk about love

I'll stay here tonight  
And I'll make you feel alright  
But let's not talk about  
Let's not talk  
Let's not talk about love
