Heres room 546
It's enuff to make u sick
Bridgets all wrapped up in foil
You wonder if, she'd get uncoiled

Here they come now, see them run now
Here they come now, chealsea girls

Heres room one fifteen
Filled with the sin them queens
Magic marker round
You wonder just how high they go

Here they come now, see them run now
Here they come now, chealsea girls

Heres ?
Ronna's treated him so mean
She wants another scene
She wants to be, a human being

Here they come now, see them run now,
Here they come now, chealsea girls

Pat burr she's having fun
She thinks she's some mans son
Her perfect loves don't last
Her future died, in someones past

Here they come now, see them run now,
Here they come now, chealsea girls

Dear ingrids' found her lick
She's turned another trick
Her treats and times reolve
She's got problems to be solved

Here they come now, see them run now,
Here they come now, chealsea girls

Drop out, she's in a fix
Amphetemine has made her sick
White powder in the air
She's got no bones
And can't be scared

Here they come now, see them run now,
Here they come now, chealsea girls

Here comes johnny bore
He collapsed on the floor
They shot him up with milk
And when he died, sell them for silk

Here they come now, see them run now,
Here they come now, chealsea girls
