Well you shouldn't doctor yourself Well I pictured somebody else Someone who looks like What I look like

Would you say that the one of your dreams Got in you and ripped out the seams That's what I'd say That's what I'd say

He was a sucker for your double dose Motherf***er turned white as a ghose Don't you say hi Don't you say hi

With your broken sink for a face

In a head that just takes up space He's not half right He's not half right

It's already half past And it won't last

I was sticking up for my friend Well there's nothing much to defend It's a lost fight It's a lost fight

Cos when I talk to you on the phone Well, it's just like being alone It's not half right It's not half right
