Heaven 17, Temptation

I've never been closer

I've tried to understand

That certain feeling

Carved by another's hand

But it's too late to hesitate

We can't keep on living like this

Leave no track

Don't look back

All I desire

Temptation

Keep climbing higher and higher

Temptation

Adorable creatures

Temptation

With unacceptable features

Temptation

Trouble is coming

Temptation

It's just the high cost of loving

Temptation

You can take it or leave it

Temptation

But you'd better believe it

You've got to make me an offer

That cannot be ignored

So let's head for home now

Everything I have is yours

Step by step and day by day

Every second counts I can't break away

Leave no trace

Hide your face

All I desire

Temptation

Keep climbing higher and higher

Temptation

Adorable creatures

Temptation

With unacceptable features

Temptation

Trouble is coming

Temptation

It's just the high cost of loving

Temptation

You can take it or leave it

Temptation

But you'd better believe it

Keep us from temptation

Lead us not into temptation

Trying to find it

Temptation

You've got to get up behind it

Temptation

Put your dime in the hot slot

Temptation

But it's a million to one shot

Temptation

You think that you're right no

Temptation

You're going to fake it tonight now

Temptation

Give me a breakdown

Temptation

Because it's time for a shakedown
