## Heaven's Gate, Back From The Dawn

(Music:Rettke/Paeth/Hunecke - Words: Rettke)

It's a long time ago when you had the feelin' to adore her Did you know, did you know that it's a lie? She was spreading into your life and tellin' she would love ya Did you know it's cuttin' like a knife?

## (BRIDGE:)

Every single touch, every word of mouth now you know that she's been fakin' All the dirty lies turned you inside out Now it's up to you for breaking away

## (CHORUS:)

Breaking the chain
Get away, she's back from the dawn
You're feeling the pain
Watch out! Now she's back from the dawn

In a world of shattered dreams You're trying to protect Did you know she utilized your care?

(BRIDGE / CHORUS)

Foolish behavior is piercing my brain Don't know the difference of pleasure and pain

There's no bed of roses Just a bed of nails No sense of security in a love that never fails

(Repeat 1st verse / BRIDGE / CHORUS)
