

# Heaven's Gate, Breakin' Loose

[Words: Rettke/ Music: Paeth, Rettke]

Face the truth 'cause there's something deep inside of you  
Sad but true there's nothing you can do  
Sacrifice a victim of pollution now it's time  
Roll the dice but noone bets on you

You feel alive, don't realize the powerdive inside your head  
The facts revealed and now is sealed

All the years they're dealing with your hunger and your pain  
Now the tears are drying in the sand  
Innocence and violence are melting inside your brain  
Feel the trigger burning in your hand

You feel alive, don't realize the powerdive in your head  
The facts revealed and now it's sealed

Now you have to face it and nobody breaks it  
And you can feel the burning fuse  
Like an open fire burning your desire  
Now the disease is breakin' loose

Paralized you're waiting for salvation all the time  
All alone there's noone to rely  
Termination, violation stickin' in your brain  
In the end you know the reason why
