Heavens To Betsy, Complicated

I don't know how to be good to you
You're too close and you know it too
Nobody has a good enough excuse
I'm just fucked up and so are you

I love you so much, you could hurt me
So I do it first, so you won't see me
Laugh it off and I don't feel it
Hard as rocks and nails underneath

Hardly anyone is sincere
All I know is anger, that is real
I barely know how true goodness feels
I don't even know how to feel

I know I built walls around
I'm begging you to knock them down
But yours are just as big and mean as mine
Tight defenses and we draw the line

If you want to go, just go, just go, just go, just go
And I'll watch you walk away
If you want to go, just go, just go, just go, just go
And I'll watch you walk away
I'll die if you go, just go, just go, just go
And I'll watch you walk away

Oh, stop everything
Stop all of these fucked up games
Oh, oh promise me we'll be good to each other
Promise me, I need it, signed, sealed and delivered

Stop everything
Or my heart will break
My pride isn't worth it
Help me, this is hurting

If you want to go, just go, just go, just go, just go
And I'll watch you walk away
I'll die if you go, just go, just go, just go
And I'll watch you walk away

Super girl
She isn't real
I thought I could fly alone
But I can't even get off the ground

I don't know what else to say
I don't want to push you away
And I need your help today
I can't get off the ground today
