

Heavens To Betsy, Paralyzed

I've seen the way you looked at the sky
You looked right up at it with unclouded eyes
That ain't the way I see anything
I don't know if I can stand another day of rain

You left the nest so long ago
You walked right out one day, it was easy for you
Ruffle your feathers, everything you have, in my face
Well, I had to leave my wings at home today

'Cause I've seen you in the sky
How did you get so high?
'Cause I don't know how to fly
You leave me paralyzed

I, I, I, I, I wonder why
Only some of us get to touch the sky
You were born with blue, baby boy blue in your eyes
You were born to touch the sky, the sky, my sky, my sky

'Cause I've seen you in the sky
How did you get so high?
'Cause I don't know how to fly
You leave me paralyzed

I, I, I, I, I know why
Only some of us get to touch the sky
I know what privilege is, I know what mine is and why
But if I could, I'd steal yours and I would fly so fucking high

'Cause I've seen you in the sky
How did you get so high?
'Cause I don't know how to fly
You leave me paralyzed

I, I, I, I, I wonder why
Only some of us get to touch the sky

All that I can do is watch you fly
All that I can do is watch you fly
All that I can do is say goodbye
