

# Heavens To Betsy, Paralyzed

I've seen the way you looked at the sky  
You looked right up at it with unclouded eyes  
That ain't the way I see anything  
I don't know if I can stand another day of rain

You left the nest so long ago  
You walked right out one day, it was easy for you  
Ruffle your feathers, everything you have, in my face  
Well, I had to leave my wings at home today

'Cause I've seen you in the sky  
How did you get so high?  
'Cause I don't know how to fly  
You leave me paralyzed

I, I, I, I, I, I wonder why  
Only some of us get to touch the sky  
You were born with blue, baby boy blue in your eyes  
You were born to touch the sky, the sky, my sky, my sky

'Cause I've seen you in the sky  
How did you get so high?  
'Cause I don't know how to fly  
You leave me paralyzed

I, I, I, I, I, I know why  
Only some of us get to touch the sky  
I know what privilege is, I know what mine is and why  
But if I could, I'd steal yours and I would fly so fucking high

'Cause I've seen you in the sky  
How did you get so high?  
'Cause I don't know how to fly  
You leave me paralyzed

I, I, I, I, I, I wonder why  
Only some of us get to touch the sky

All that I can do is watch you fly  
All that I can do is watch you fly  
All that I can do is say goodbye
